Recognition month honors employee service —

Thanks for your hard work

October is K mart's annual employee recognition time when you can call time out and give your co-worker a hand for his or her devoted service to the K mart Corporation. Below are Marjorie Ellis, office employee and Opal Lawrence, menswear, each with 20 years of service and Paul Wise, Store Manager of K mart 7115, Orange, Texas. This store held a breakfast with an Hawaiian fruit bowl and all the trimmings. The breakfast was given to celebrate the fourth anniversary of the store and all of its employees. Store Reporter Sharon Bell commented, "The celebration for the fifth anniversary promises to be bigger and better but some are wondering how that can be possible when this year's celebration was fantastic!"
